GUARANTY AGREEMENT

THIS GUARANTY AGREEMENT (“Agreement”) is entered into and effective as of _____, and is by and among _____, whose primary residence address is _____ (“Guarantor”); and _____, a [state] [entity type] (“Lender”), whose address for purposes of this Agreement is _____, and is delivered to and in favor of Lender, its successors and/or assigns.

To induce Lender to make the Loan, herein defined below, to _____, a _____ [entity type] _____ company (“Borrower”), which Guarantor acknowledges that Lender would not otherwise make the Loan without this Agreement, and for other valuable consideration, the receipt and adequacy of which are hereby acknowledged.

WHEREAS, Borrower and Lender have executed a Promissory Note of even date herewith (the “Note”) in the sum of _____ (the “Loan”). The Loan is secured by a certain Security Instrument (the “security Instrument”), executed by Borrower in favor of Lender, and encumbering certain real property and any improvements thereon.

WHEREAS, as a condition of making the Loan, Lender is requiring this Agreement to be executed and the making of the Loan to Borrower by Lender is of material benefit to Guarantor. In order to induce Lender to make the Loan, evidenced by the Note for the benefit of the Borrower, Guarantor is willing to Guarantee and become surety for the performance by Borrower of its obligations under the Loan Documents, which is further defined under this Agreement, the Note, the Security Instrument, and any other document executed and delivered in connection with the Loan (as the same, from time to time, may be amended, restated and extended). Said documents may be individually referred to herein as “Loan Document” or collectively “Loan Documents”.

NOW, THEREFORE, in consideration of the above premises for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, an intending to be legally bound hereby, Guarantor hereby agrees as follows:

Guaranty.

Guaranty of Obligations. Guarantor guarantees to Lender, its successors, and assigns the full and faithful payment of all amounts owed and performance of each and every one of the obligations, responsibilities, and undertakings to be carried out, performed, or observed by Borrower under the Loan Agreement, the Note, the Security Agreement, any other agreement that now or later secures repayment of the Note, any other agreement that Guarantor now or later states is guaranteed, and any other agreement that Guarantor or Borrower signs in connection with the loan obtained by Borrower.

Guaranty of Borrower’s Performance. If at any time Borrower, or its successors or permitted assigns, fails, neglects or refuses to pay when due amounts or perform when due any of its obligations, responsibilities, or undertakings as expressly provided under the terms and conditions of the Loan Documents, Guarantor shall pay such amounts or perform or cause to be performed such obligations, responsibilities, or undertakings as required under the terms and conditions of the Loan Documents.

Absolute. This Agreement is irrevocable, absolute, present, and unconditional. The obligations of Guarantor under this Agreement shall not be affected, reduced, modified, or impaired on the happening from time to time of any of the following events, whether or not with notice to (except as notice is otherwise expressly required) or the consent of Guarantor:

Failure to Give Notice. The failure to give notice to Guarantor of the occurrence of a default under the terms

and provisions of this Agreement or the Loan Documents;

Modifications or Amendments. The modification or amendment, whether material or otherwise, of any obligation, covenant, or agreement set forth in this Agreement or Loan Documents;

Lender's Failure to Exercise Rights. Any failure, omission, delay by, or inability by Lender to assert or exercise any right, power, or remedy conferred on Lender in this Agreement or the Loan Documents, including the failure to execute on collateral held for this Agreement or the Loan Documents;

Release of Security. Any release of any real or personal property or other security now held or to be held by Lender for the performance of the Guaranteed Obligations;

Borrower's Termination. A termination, dissolution, consolidation, or merger of Borrower with or into any other entity;

Borrower's Bankruptcy. The voluntary or involuntary liquidation, dissolution, sale, or other disposition of all or substantially all of Borrower or its affiliate's assets, the marshalling of Borrower or its affiliate's assets and liabilities, the receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors, or readjustment of, or other similar proceedings affecting Borrower, Guarantor, their affiliates, or any of the assets of either Borrower or Guarantor, or their affiliates;

Lender's Assignment of Rights. The assignment of any right, title, or interest of Lender in this Agreement or the Loan Documents to any other person; or

Extent of Guarantor's Obligations. Any other cause or circumstance, foreseen or unforeseen, whether similar or dissimilar to any of the foregoing; it being the intent of Guarantor that its obligations under this Agreement shall not be discharged, reduced, limited, or modified except by (a) payment of amounts owing pursuant to this Agreement and/or Loan Documents (and then only to the extent of such payment or payments); and (b) full performance of obligations under this Agreement and/or Loan Documents (and then only to the extent of such performed or discharged obligation or obligations).

Exercise of Lender Rights. Any action of Lender authorized herein.

Guaranty of Payment. Subject to the limitations provided herein, Guarantor's liability on this Agreement is a guaranty of payment and performance, not of collectability.

Cessation of Liability. Guarantor's liability under this Agreement shall not in any way be affected by the cessation of Borrower's liability for any reason other than full performance of all the obligations under the Loan Documents, including, without limitation, any and all obligations to indemnify Lender.

Authorization of Lender. Guarantor authorizes Lender, without notice or demand and without affecting its liability under this Agreement, and without consent of Guarantor or prior notice to Guarantor, to:

Modify Loan Documents. Make any modifications to the Loan Documents;

Assign Guaranty. Assign the Loan Documents and this Agreement;

Modify Security. Take, hold, or release security for the performance of the Guaranteed Obligations with the consent of the party providing such security;

Additional Guarantors. Accept or discharge, in whole or in part, additional guarantors;

Order of Sale. Direct the order and manner of any sale of all or any part of security now or later held under the Loan Documents or this Agreement, and also bid at any such sale to the extent allowed by law; and

Application of Proceeds. Apply any payments or recovery from Borrower, Guarantor, or any source, and any proceeds of any security, to Borrower's obligations under the Loan Documents in such manner, order, and priority as Lender may elect, whether or not those obligations are guaranteed by this Agreement or secured at the time of such application.

Lender's Rights on Borrower's Default. Guarantor agrees that on Borrower's default Lender may elect to non-judicially or judicially foreclose against all or part of the real or personal property securing Borrower's obligations, or accept an assignment of any such security in lieu of foreclosure, or compromise or adjust any part of such obligations, or make any other accommodation with Borrower or Guarantor, or exercise any

other remedy against Borrower or any security. No such action by Lender shall release or limit Guarantor's liability to Lender, even if the effect of that action is to deprive Guarantor of the right to collect reimbursement from Borrower or any other person for any sums paid to Lender or bar or prejudice Guarantor's rights of subrogation, contribution, or indemnity against Borrower or any other person. Without limiting the foregoing, it is understood and agreed that, on any foreclosure or assignment in lieu of foreclosure of any security held by Lender, such security shall no longer exist and that any right that Guarantor might otherwise have, on full payment of the Borrower's obligations by Guarantor to Lender, to participate in any such security or to be subrogated to any rights of Lender with respect to any such security shall be nonexistent; nor shall Guarantor be deemed to have any right, title, interest, or claim under any circumstances in or to any real or personal property held by Lender or any third party following any foreclosure or assignment in lieu of foreclosure of any such security. Guarantor again specifically acknowledges and waives the above as more specifically provided for herein.

Effect of Borrower's Bankruptcy. The liability of Guarantor under this Agreement shall in no way be affected by:

Release of Borrower. Release or discharge of Borrower in any creditor proceeding, receivership, bankruptcy, or other release or discharge of Borrower, for any reason;

Modification of Borrower's Liability. Impairment, limitation, or modification of Borrower's liability or the estate, or of any remedy for the enforcement of Borrower's liability, which may result from the operation of any present or future provision of the Bankruptcy Code (Title 11 of the United States Code, as amended; 11 U.S.C. §§ 101-1330) or any bankruptcy, insolvency, state or federal debtor relief statute, any other statute, or from the decision of any court;

Rejection of Debt. Rejection or disaffirmance of the Indebtedness, or any portion of the Indebtedness, in any such proceeding;

Cessation of Borrower's Liability. Cessation, from any cause whatsoever, whether consensual or by operation of law, of Borrower's liability to Lender resulting from any such proceeding; or

Modification and Replacement of Guaranteed Obligation. If the Guaranteed Obligations are restructured or replaced in connection with a bankruptcy proceeding or case, Guarantor shall remain liable as guarantor of such restructured or replaced obligation.

Subordination. Until the Guaranteed Obligations have been paid or otherwise discharged in full, Guarantor subordinates any and all liability or indebtedness of Borrower owed to Guarantor to the obligations of Borrower to Lender that arise under the Guaranteed Obligations. However, Guarantor may receive payment of current reasonable salary and current reasonable payments made in the ordinary course of business for goods provided or services rendered.

Application of Payments. With or without notice to Guarantor, Lender, in its sole and absolute discretion may:

Priority of Payments. Apply any or all payments or recoveries from Borrower, from Guarantor, or from any other guarantor or endorser under this or any other instrument, or realized from any security, in such manner, order, or priority as Lender sees fit, to the indebtedness of Borrower to Lender under the Loan Documents, whether such indebtedness is guaranteed by this Agreement or is otherwise secured or is due at the time of such application; and

Refund to Borrower. Refund to Borrower any payment received by Lender on any indebtedness guaranteed in this Guaranty, and payment of the amount refunded is fully guaranteed. Any recovery realized from any other guarantor under this or any other instrument shall be first credited on that portion of the indebtedness of Borrower to Lender that exceeds the maximum liability, if any, of Guarantor under this Agreement.

Claims in Bankruptcy. Guarantor shall file all claims against Borrower in any bankruptcy or other proceeding in which the filing of claims is required or allowed by law on any indebtedness of Borrower to Guarantor, and shall assign to Lender all rights of Guarantor on any such indebtedness. If Guarantor does not file any

such claim, Lender, as attorney-in-fact for Guarantor, is authorized to do so in Guarantor's name, or, in Lender's discretion, to assign the claim and to file a proof of claim in the name of Lender's nominee. In all such cases, whether in bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to Lender the full amount of any such claim, and, to the full extent necessary for that purpose, Guarantor assigns to Lender all of Guarantor's rights to any such payments or distributions to which Guarantor would otherwise be entitled.

Representations and Warranties if Guarantor is an Entity. If Guarantor is an entity, Guarantor represents and warrants to Lender that:

Legal Status. Guarantor (a) is duly organized, validly existing under, and in good standing with, the laws of the state in which it is domiciled and in the state in which the property secured the Loan is located in; (b) has all requisite power, and has all material governmental licenses, authorizations, consents, and approvals necessary to own its assets and carry on its business as now being or as proposed to be conducted; and (c) is qualified to do business in the state in which any property securing the loan is located in.

No Breach. Neither the execution and delivery of this Agreement, nor compliance with its terms and provisions shall conflict with or result in a breach of, or require any consent under, the organizational documents of Guarantor, or any agreement or instrument by which Guarantor is bound.

Authority and Power. Guarantor has all necessary power and authority to execute, deliver, and perform its obligations under this Agreement. Guarantor's execution, delivery, and performance of this Agreement has been duly authorized by all necessary action on its part; and this Agreement has been duly and validly executed and delivered by Guarantor and constitutes its legal, valid, and binding obligation, enforceable against Guarantor in accordance with its terms. Guarantor shall, concurrently with the execution of this Agreement, deliver to Lender a copy of a resolution of Guarantor's managing member(s), if a limited liability company, or board of directors and/or shareholders, if a corporation, authorizing or ratifying execution of this Agreement.

Representations and Warranties if Guarantor is an Individual. If Guarantor is an individual, Guarantor represents and warrants to Lender that:

Legal Status. Guarantor has all requisite power and has all material governmental licenses, authorizations, consents, and approvals necessary to carry on his business as now being or as proposed to be conducted.

No Breach. Neither the execution and delivery of this Agreement, nor compliance with its terms and provisions shall conflict with or result in a breach of, or require any consent under any agreement or instrument by which Guarantor is bound.

Authority and Power. This Agreement has been duly and validly executed and delivered by Guarantor and constitutes its legal, valid, and binding obligation, enforceable against Guarantor in accordance with its terms.

Financial Statements. All financial information furnished or to be furnished will be true and correct, does or will fairly represent the financial condition of Guarantor, and was or will be prepared in accordance with generally accepted accounting principles ("GAAP").

Claims and Proceedings. There are no claims, actions, proceedings, or investigations pending against Guarantor.

Information Not Required. Guarantor represents that Guarantor is fully aware of Borrower's financial condition and operation and is in a position by virtue of his, her, or its relationship to Borrower to obtain all necessary financial and operational information concerning Borrower. Lender need not disclose to Guarantor any information about:

Loan Documents. The Loan Documents or any modification of them, and any action or non-action in connection with them;

Other Guaranteed Obligations. Any other obligation guaranteed in this Agreement;

Borrower's Financial Condition. The financial condition or operation of Borrower; or

Other Guarantors. Any other guarantors.

Notice. Except for any notice required by Governmental Requirements to be given in another manner,

(a) all notices required or permitted by this Agreement shall be in writing; (b) each notice to Guarantor shall be sent (i) for personal delivery by a delivery service that provides a record of the date of delivery, the individual to whom delivery was made, and the address where delivery was made; (ii) by certified United States mail, postage prepaid, return receipt requested; or (iii) by nationally recognized overnight delivery service, marked for next-business-day delivery; and (c) all notices shall be addressed to the appropriate party at its address stated on Page 1 of this Agreement or such other addresses as may be later designated by notice given in compliance with this provision. Notices will be deemed effective on the earliest of (a) actual receipt; (b) rejection of delivery; or (c) if sent by certified mail, the third day on which regular United States mail delivery service is provided after the day of mailing or, if sent by overnight delivery service, on the next day on which such service makes next-business-day deliveries after the day of sending.

No Waiver Upon Lender's Lack of Enforcement. No failure or delay by Lender, or its successors and assigns, in exercising any right, power, or privilege under this Agreement shall operate as a waiver; nor shall any single or partial exercise of any right, power, or privilege preclude any other or further such exercise or the exercise of any other right, power, or privilege.

Advice of Counsel. Guarantor expressly declares that it knows and understands the contents of this Agreement and has either consulted or had the opportunity to consult with an attorney as to its form and content.

Attorney Fees. Guarantor agrees to pay the following costs, expenses, and Attorneys' Fees paid or incurred by Lender, or adjudged by a court: (a) reasonable costs of collection and costs, expenses, and Attorneys' Fees paid or incurred in connection with the collection or enforcement of the Loan Documents, whether or not suit is filed; (b) reasonable costs, expenses, and Attorneys' Fees paid or incurred in connection with representing Lender in any bankruptcy, reorganization, receivership, or other proceedings affecting creditors' rights and involving a claim under the Loan Documents; (c) reasonable costs, expenses, and Attorneys' Fees incurred to protect the lien of the Security Instrument; and (d) costs of suit and such sum as the court may adjudge as Attorneys' Fees in any action to enforce payment of the Loan Documents or any part of it.

In addition to the aforementioned fees, costs, and expenses, Lender shall be entitled to its Attorneys' Fees, and all other fees, costs, and expenses incurred in any post-judgment proceedings to collect or enforce any judgment. This provision for the recovery of post-judgment fees, costs, and expenses is separate and several and shall survive the merger of this Agreement into any judgment on this Agreement.

Assignability. This Agreement shall be binding on Guarantor and Guarantor's heirs, representatives, successors and assigns and shall inure to the benefit of Lender, its successors and assigns, and their successors and assigns and respective personal representatives, successors, and assigns according to the context of this Agreement. Guarantor shall not have the right to assign the obligations in this Agreement. Lender may assign its rights under this Agreement in connection with an assignment of all or part of the Guaranteed Obligation. Notice is hereby waived as to any such assignment by Lender.

Revival of Guaranty. If a claim ("Claim") is made on Lender at any time (whether before or after payment or performance in full of any Guaranteed Obligation, and whether such claim is asserted in a bankruptcy proceeding or otherwise) for repayment or recovery of any amount or other value received by Lender (from any source) in payment of, or on account of, any Guaranteed Obligation, and if Lender repays such amount, returns value or otherwise becomes liable for all or part of such Claim by reason of (a) any judgment, decree, or order of any court or administrative body or (b) any settlement or compromise of such Claim, Guarantor shall remain severally liable to Lender for the amount so repaid or returned or for which Lender is liable to the same extent as if such payments or value had never been received by Lender, despite any termination of this Agreement or the cancellation of any note or other document evidencing any Guaranteed Obligation.

Captions. The captions and section headings appearing in this Agreement are included solely for convenience

of reference and are not intended to affect the interpretation of any provision of this Agreement.

Severability. If any provision in this Agreement is invalid and unenforceable in the jurisdiction whose law is applied to this Agreement or in any particular context, then, to the fullest extent permitted by law, (a) the other provisions shall remain in full force and effect in such jurisdiction or context and shall be liberally construed in favor of Lender in order to carry out the parties' intentions as nearly as possible, and (b) the invalidity or unenforceability of any provision in that jurisdiction or context shall not affect the validity or enforceability of such provision in any other jurisdiction.

Waivers.

Waiver of Rights to Require Lender to Act. Guarantor waives the right to require Lender to:

- Proceed against Borrower or any other person;
- Proceed or exhaust any security held from any person;
- Proceed against any other guarantor; or
- Pursue any other remedy available to Lender.

Waivers Until Obligation Is Repaid. Until the Guaranteed Obligations have been paid or otherwise discharged in full:

Guarantor waives all rights of subrogation, indemnity, any rights to collect reimbursement from Borrower, and any right to enforce any remedy that Lender now has, or may have, against Borrower.

Guarantor waives any benefit of, and any right to participate in, any security now or later held by Lender.

Guarantor waives any defense it may have now or in the future based on any election of remedies by Lender that destroys Guarantor's subrogation rights or Guarantor's rights to proceed against Borrower for reimbursement, and Guarantor acknowledges that it shall be liable to Lender even though Guarantor may well have no such recourse against Borrower.

Guarantor waives notice of (a) acceptance and reliance on this Agreement; (b) notice of renewal, extension, or modification of any Guaranteed Obligation under this Agreement; and (c) notice of default or demand in the case of default.

Guarantor waives any right or defense it may now or hereafter have based on (a) Lender's full or partial release of any party who may be obligated to Lender; (b) Lender's full or partial release or impairment of any collateral for the Guaranteed Obligations; and (c) the modification or extension of the Guaranteed Obligations. Guarantor waives any and all suretyship defenses now or later available to it under the law governing this Agreement.

Without limiting the generality of any other waiver or provision of this Agreement, Guarantor waives, to the maximum extent such waiver is permitted by law, any and all benefits or defenses arising directly or indirectly under the law governing this Agreement.

Guarantor waives any statute of limitation affecting liability under this Agreement or the enforceability of this Agreement and further waives any defense that might otherwise exist because of the expiration of the statute of limitations on the Loan Documents.

Guarantor waives any duty of Lender to disclose to Guarantor any facts Lender may now know or later learn about Borrower or Borrower's financial condition regardless of whether Lender has reason to believe that any such facts materially increase the risk beyond that which Guarantor intends to assume, or has reason to believe that such facts are unknown to Guarantor, or has a reasonable opportunity to communicate such facts to Guarantor, it being understood and agreed that Guarantor is fully responsible for and is capable of being and keeping informed of Borrower's financial condition and of all circumstances bearing on the risk of nonpayment of any indebtedness guaranteed under this Agreement.

Guarantor waives all notices to Guarantor.

Arbitration. Concurrently herewith, Borrower and Guarantor shall execute that certain Arbitration Agreement whereby Borrower, Guarantor, and Lender agree to arbitrate any disputes to resolve any claims (as defined under the Revised Uniform Arbitration Act (RUAA)).

Jurisdiction. The parties agree that all actions or proceedings arising in connection with this Agreement and the other Loan Documents shall be tried and litigated only in the state courts located in the county in which notice shall be sent to Lender pursuant to this Agreement, or the applicable federal district court that covers said county.

Joint and Several. If this Agreement is issued by more than one party or if any other party guarantees the obligations of Borrower, the obligations of Guarantor and any others under this Agreement shall be joint and several.

Entire Agreement. This Agreement embodies the entire agreement and understanding between Guarantor and Lender pertaining to the subject matter of this Agreement, and supersedes all prior agreements, understandings, negotiations, representations, and discussions, whether verbal or written, of the parties, pertaining to that subject matter. Guarantor is not relying on any representations, warranties, or inducements from Lender that are not expressly stated in this Agreement.

Further Assurances. Guarantor shall promptly and duly execute and deliver to Lender such further documents and assurances and take such further action as Lender may from time to time reasonably request, including, without limitation, any amendments to this Agreement to establish and protect the rights, interests, and remedies created or intended to be created in favor of Lender.

Gender; Singular Includes Plural. As used in this Agreement, the singular includes the plural, and the masculine includes the feminine and neuter, and vice versa, if the context so requires.

Non-waiver. No provision of this Agreement or right of Lender under this Agreement can be waived, nor can Guarantor be released from its obligations under this Agreement except by a writing duly executed by an authorized representative of Lender.

Continuing Liability. Guarantor shall continue to be liable under this Agreement despite the transfer by Borrower of all or any portion of the property encumbered by the Loan Documents.

Time Is of the Essence. Time is of the essence under this Agreement and any amendment, modification, or revision of this Agreement.

Cumulative Rights. The extent of Guarantor's liability and all rights, powers, and remedies of Lender under this Agreement, and under any other agreement now or at any future time in force between Lender and Guarantor, shall be cumulative and not alternative, and such rights, powers, and remedies shall be in addition to all rights, powers, and remedies given to Lender by law. This Agreement is in addition to and exclusive of the Agreement of any other guarantor of any indebtedness of Borrower to Lender.

WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, GUARANTOR HEREBY AGREES NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THIS AGREEMENT, THE NOTE, THE SECURITY INSTRUMENT, THE OTHER LOAN DOCUMENTS, OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY GUARANTOR, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCURE, LENDER IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER BY GUARANTOR.

Separation of Parties. Guarantor is separate and distinct from Borrower. Borrower and Guarantor were solely responsible for all corporate structuring and Lender had no role in the corporate structuring of Borrower and/or Guarantor. Borrower and Guarantor have provided independent financial statements to Lender and Lender has relied on such financial statements in making loan to Borrower.

Capitalized Terms. Capitalized terms used but not defined herein shall have the meaning ascribed to such term in the Loan Documents, each executed of even date herewith.

Community Property. If Guarantor (or any Guarantor, if more than one) is a married person, and the state of residence of Guarantor or Guarantor's spouse ("Guarantor Spouse") is a community property jurisdiction, then each of the following apply:

Guarantor (or each such married Guarantor, if more than one) agrees that Lender may satisfy Guarantor's

obligations under this Agreement to the extent of all Guarantor's separate property and against the marital community property of Guarantor and Guarantor Spouse.

If Guarantor Spouse is not also a Guarantor of the Loan, Guarantor certifies that none of the assets shown on his or her financial statements submitted to Lender for purposes of underwriting the Loan were either (i) Guarantor Spouse's individual property, or (ii) community property under the sole management, control, and disposition of Guarantor Spouse.

If Guarantor's Spouse is not also a Guarantor of this loan and Guarantor or Guarantor Spouse's state of residence is Alaska, Arizona, California, Idaho, Iowa, Kansas, Kentucky, Louisiana, Nevada, New Mexico, Ohio, Texas, Washington, Wisconsin or any other state, as required by Lender, Guarantor has caused Guarantor's Spouse to acknowledge this Agreement as required on the signature page of this Agreement.

IN WITNESS WHEREOF, Guarantor has executed and delivered this Agreement as of the date firstwritten above.

BUSINESS LOAN RIDER

THIS BUSINESS LOAN RIDER is made this _____ day of _____, 2022, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned (the "Borrower") and any personal guarantor(s), as applicable and referred herein as (the "Guarantor") to secure the debt obligation, whether joint and severally liable, of Borrower's Note (the "Note") to _____ (the "Lender") covering the subject property described in the Security Instrument and located at:

[Subject Property Address]

To the extent that the provisions of this Rider are inconsistent with the provisions of the Note and/or the Security Instrument, the provisions of this Rider shall prevail over and will supersede any such inconsistent provisions of the Note and/or the Security Instrument.

In addition to the covenants and agreements made in the Security Instrument, Borrower further covenants and agrees as follows:

1. Borrower and Guarantor shall mean and include all co-signers and co-makers signing the Note and Security Instrument and all their successors and assigns, as approved by Lender.
2. Notwithstanding any clause contained in the Security Instrument, the exemptions under Garn St. Germain Act will not apply. Borrower nor guarantor will not occupy the subject property as his/her/its primary or secondary residence.
3. All other applicable Riders provided, as appended, in addition to this Business Loan Rider, shall prevail over and will supersede any inconsistent provisions of the Note and/or the Security Instrument as permitted by state law. If any provisions shall not be permitted by state law, the remaining clauses and Riders shall remain in full force and effect. All Riders will be considered part of the Security Agreement.
4. "Guarantor" means any guarantor of surety, or accommodation party of any or all of the debt obligation.
5. Borrower's and Guarantor's right to reinstate is limited to Applicable Law.
6. Property as defined in the Security Instrument also includes any equipment or fixtures that are now or hereafter attached or affixed thereto.
7. Borrower shall promptly comply with all laws, ordinances, and regulations, now or hereafter in effect, of all governmental authorities applicable to the use or occupancy of the Property, including without limitation, the Americans with Disabilities Act. Borrower may contest in good faith any such law, ordinance, or regulation, except as required by Applicable Law, and withhold compliance during any proceeding, including appropriate appeals, so long as Borrower has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Property are not jeopardized. Lender may require Borrower to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.
8. Borrower shall notify Lender at least fifteen (15) business days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien,

materialmen's lien, or other lien could be asserted on account of the work, services, or materials. Borrower will upon request of Lender furnish to Lender advance assurances satisfactory to Lender that Borrower can and will pay the cost of such improvements.

9. Borrower warrants that: (a) Borrower holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Security Instrument, and (b) Borrower has the full right, power, and authority to execute and deliver this Security Instrument and all Riders to Lender. All costs associated with the defense of title claims, are bore by the Borrower and/or the Guarantor, jointly and severally, whether paid as a direct or a recoverable fee to the Lender under the Security Instrument.
10. The Borrower and/or Guarantor must notify Lender within at least thirty (30) business days of any dissolution of Borrower's entity (regardless of whether election to continue is made), or if any member withdraws from the limited liability company, partnership, corporation or other legal entity, or any other termination of Borrower's existence as a going business, or the death of any member or Guarantor, the insolvency of Borrower or Guarantor, the appointment of a receiver, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower and/or Grantor.
11. Each of Borrower and Guarantor shall notify Lender within at least fifteen (15) business days of the occurrence of a material adverse change occurs in Borrower and/or Grantor's financial condition, or Lender believes the prospect of payment or performance of the indebtedness is impaired, shall require notification to the Lender.
12. Lender will have its choice of venue. If there is a lawsuit, Borrower and/or Grantor agrees upon Lender's request to submit to the jurisdiction of the courts of its choosing.
13. Lender shall not be deemed to have waived any rights under this Mortgage unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Mortgage shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Mortgage. No prior waiver by Lender, nor any course of dealing between Lender and Borrower and/or Grantor, shall constitute a waiver of any of Lender's rights or of any of Borrower and/or Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Mortgage, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.
14. The relationship between Borrower and/or Grantor and Lender created by this Security Instrument and all Riders is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Borrower and/or Grantor.
15. Lender may hire or pay someone else to help collect the indebtedness if Borrower and/or Guarantor does not pay. Borrower and/or Guarantor will be responsible to pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees, expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, Borrower and/or Guarantor will also pay any

court costs, in addition to all other sums provided by law.

16. Lender will not be required to service the mortgage in accordance with RESPA (as defined under the Security Instrument), regarding the handling of escrow funds, periodic statements, and the transfer of servicing. Lender will service in accordance to industry standards applicable to commercial loans.
17. Borrower and/or Guarantor shall provide the Lender with the address to which Lender will send formal notices, which may include both a written and/or electronic address, as designated.
18. Any reference to a right to prepay without penalty, shall be superseded by any and all prepayment terms to be defined in any Prepayment Rider attached to the Security Instrument.

INTEREST ONLY FIXED RATE PROMISSORY NOTE (ALASKA)

US \$ _____

_____, _____, _____
[Date] [City] [State]

[Property Address] (the "Property")

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____ (this amount will be called "Principal"), plus interest, to the order of the Lender. The Lender is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____ %.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment, but not more than \$25. I will pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different

address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If (i) all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

INTEREST ONLY FIXED RATE PROMISSORY NOTE (FLORIDA)

US \$ _____

_____, _____, _____
[Date] [City] [State]

_____ (the "Property")
[Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____. (this amount will be called "Principal"), plus interest, to the order of the Lender. The Lender is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____%.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of _____ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment. I will

pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice

will be mailed to the Note Holder at a different address if I am given a notice of that different address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

11. DOCUMENTARY TAX

The state documentary tax due on this Note has been paid on the mortgage securing this indebtedness.

When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under the Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

If I make a full or partial Prepayment within **Thirty-Six-Months (36)** months of the date of the Note, I agree to pay the Note Holder a Prepayment fee. The Prepayment fee I will pay shall be an amount equal to the following:

- (i) Three percent (3%) of the unpaid principal balance if prepaid during the first year;
- (ii) Two percent (2%) of the unpaid principal balance if prepaid during the second year;
- (iii) One percent (1%) of the unpaid principal balance if prepaid during the third year; and
- (iv) No penalty if prepaid more than three (3) years from date of the note creating the debt.

I will not be obligated to pay a Prepayment fee if such a charge violates state or federal law.

INTEREST ONLY FIXED RATE PROMISSORY NOTE (IOWA)

US \$ _____

_____, _____, _____
[Date] [City] [State]

[Property Address] (the "Property")

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____.
(this amount will be called "Principal"), plus interest, to the order of the Lender. The Lender is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____%.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment, but not less than

U.S. \$7.40 and not more than U.S. \$18.50. I will pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing

it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If (i) all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____%.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment, up to a maximum of \$25. I will pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If (i) all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____.
(this amount will be called "Principal"), plus interest, to the order of the Lender. The Lender is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____%.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment, but not more than \$10. I will pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If (i) all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

**INTEREST ONLY FIXED RATE PROMISSORY NOTE
(NEW JERSEY)**

THIS LOAN IS PAYABLE IN FULL ON THE MATURITY DATE. YOU MUST REPAY THE ENTIRE PRINCIPAL BALANCE OF THE LOAN AND UNPAID INTEREST THEN DUE. LENDER IS UNDER NO OBLIGATION TO REFINANCE THE LOAN AT THAT TIME.

US \$ _____

_____, _____, _____
[Date] [City] [State]

[Property Address] (the "Property")

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. \$ _____. (this amount will be called "Principal"), plus interest, to the order of the Lender. The Lender is _____. I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note will be called the "Note Holder."

2. INTEREST

I will pay interest at a yearly rate of _____ %.

Interest will be charged on that part of Principal which has not been paid. Interest will be charged beginning on the date of this Note and continuing until the full amount of Principal has been paid. The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 4(B) of this Note.

3. PAYMENTS

I will make a payment every month. I will make payments of at least the interest owed on the Principal balance for a period of _____ (XX) months (hereinafter the "Interest Only Period") on the first day of each month beginning _____, _____.

After the Interest Only Period, I will make a monthly payment on the first day of each month which will include both Principal and interest based on the remaining loan term such that the loan will be paid in full by the maturity date. I understand that my minimum required payment will increase after the Interest Only Period because I will be required to begin repayment of the principal balance.

I will make the required payments every month, and pay any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date, and if the payment includes both Principal and interest, it will be applied to interest before Principal.

I will make my monthly payments at _____ or at a different place if required by the Note Holder.

4. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any of my monthly payments by the end of fifteen calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5% of my overdue payment. I will pay this late charge only once on any late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice From Note Holder

If I am in default, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount.

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(D) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note, to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

5. BORROWER'S PAYMENTS BEFORE THEY ARE DUE

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest. I understand that any and all Prepayments may be subject to a fee, as applicable, and outlined in any Prepayment Rider attached hereto.

6. BORROWER'S WAIVERS

I and any other person who has obligations under this Note waive the rights to require the Note Holder to do certain things. Those things are: (A) to demand payment of amounts due (known as "presentment"); (B) to give notice that the amounts due have not been paid (known as "notice of dishonor"); (C) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Note Holder if I fail to keep my promises under this Note, or who signs this Note to transfer it to someone else also waives these rights. These persons are known as "guarantors, sureties and endorsers."

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by certified mail addressed to me at the Property's address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by mailing it by certified mail to the Note Holder at the address stated in Section 3 above. A notice will be mailed to the Note Holder at a different address if I am given a notice of that different address.

8. RESPONSIBILITY OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each of us is fully and personally obligated to pay the full amount owed and to keep all of the promises made in this Note. Any person who is a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to do these things. The Note Holder may enforce its rights under this Note against each of us individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note. Any person who takes over my rights or obligations under this Note will have all of my rights and must keep all of my promises made in this Note. Any person who takes over the rights or obligations of a guarantor, surety, or endorser of this Note (as described in Section 6 above) is also obligated to keep all of the promises made in this Note.

9. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

10. UNIFORM SECURED NOTE

In addition to the protections given to the Note Holder under this Note, a Deed of Trust, Mortgage, or Security Deed (the "Security Instrument") dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts that I owe under this Note. Some of those conditions are described as follows:

If (i) all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and an abeneficial interest in Borrower is sold or transferred) without Lender's prior written consent.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

NOTICE TO BORROWER

Read this promissory note or loan agreement before you sign. Do not sign this promissory note or loan agreement if it contains blank spaces. The promissory note or loan agreement is secured by a secondary mortgage on your real property.
