## Vision Statement

We are thrilled to announce the upcoming release of LoanDock Portal (LDP), our cutting-edge solution designed to revolutionize the way we manage loans. This platform promises to enhance data visibility and streamline decision-making, ensuring a more efficient and user-friendly experience for all stakeholders.

LoanDock Portal (LDP) represents a significant leap forward in our commitment to operational excellence and innovation. It is crafted to be your centralized source of truth for all loan-related activities, equipped with advanced automation and streamlined processes for maximum efficiency.

## Overview Of Software And Purpose

The LoanDock Portal (LDP) will initially serve our delegated partners.

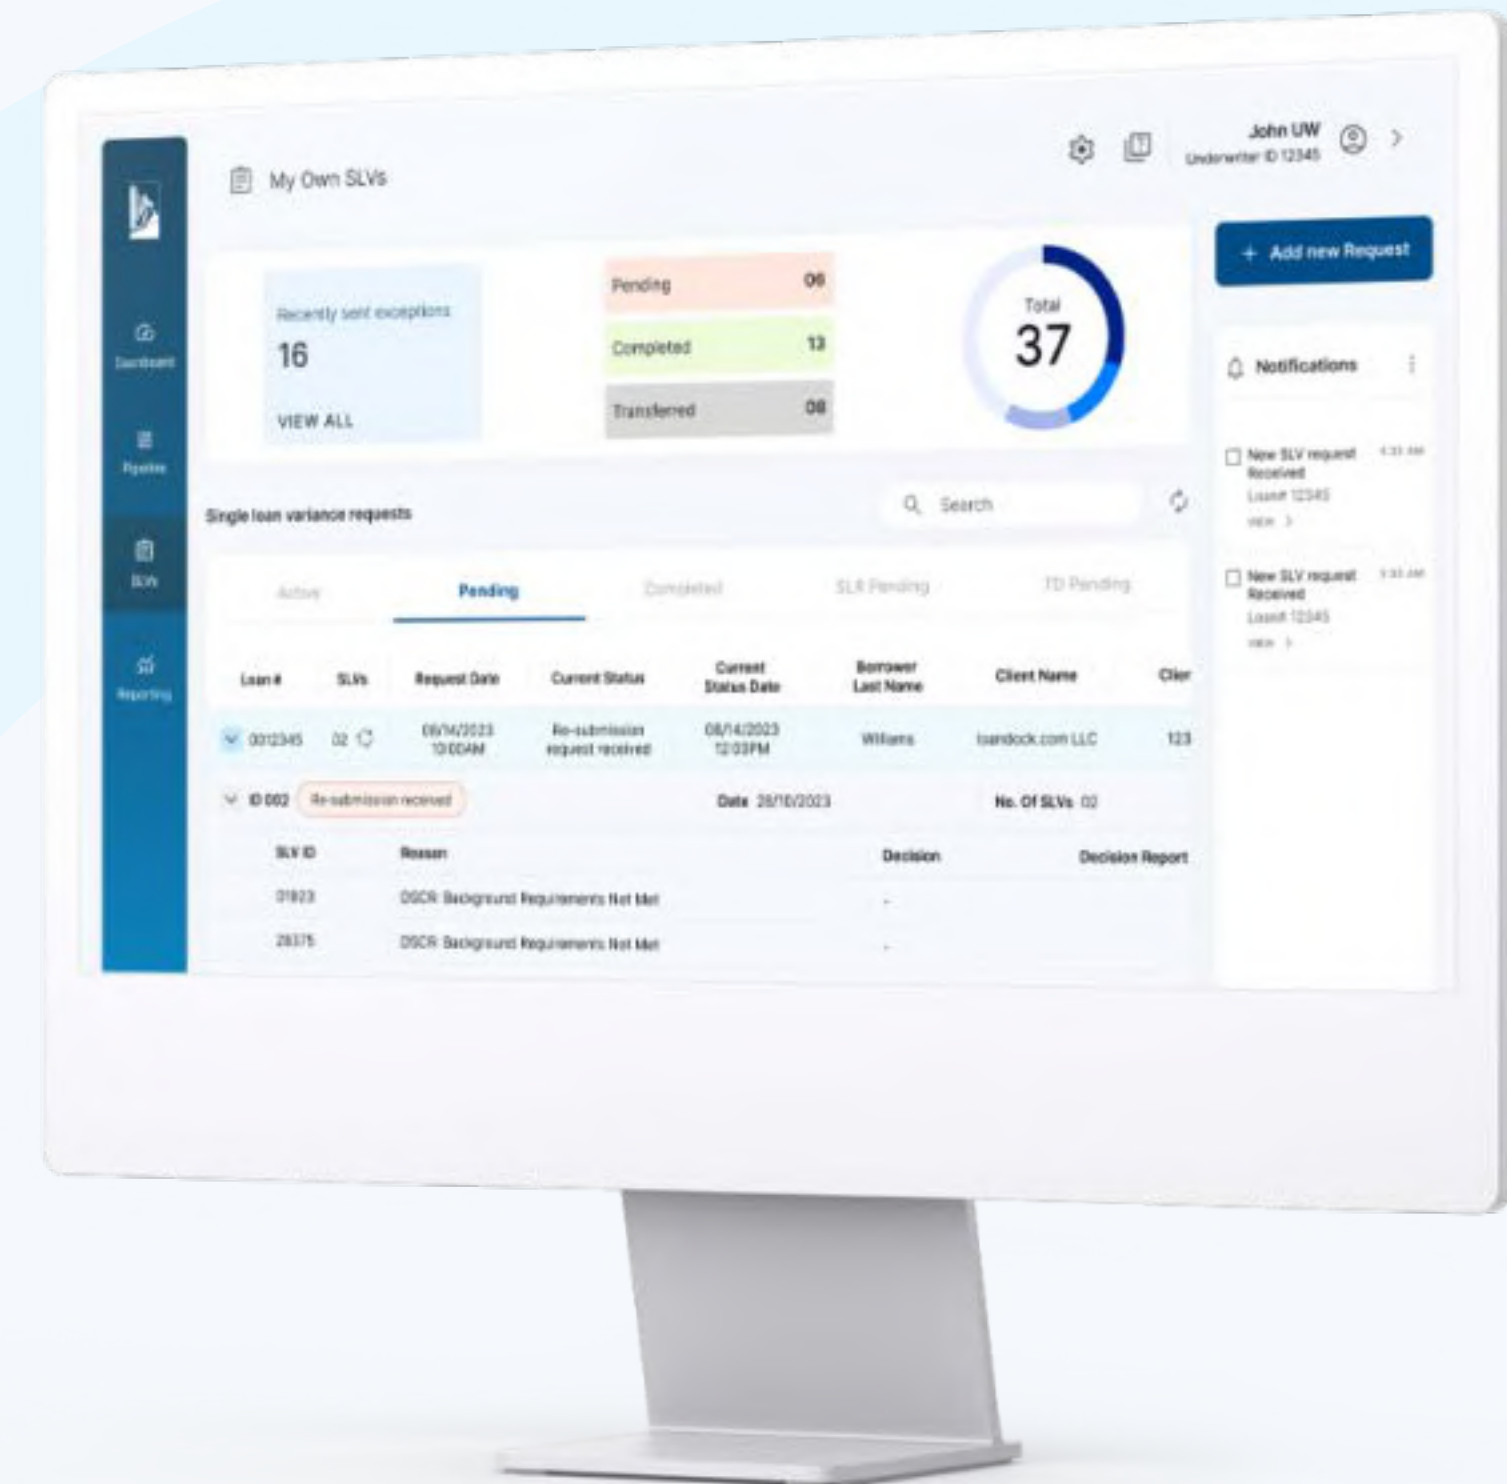

## SLV Module - To Be Released On December 20th, 2023

Partners can now submit an exception request through the portal and get real-time visibility, notifications of status changes, and final approvals generated within the platform. This will replace the previous workflow of filling out and sending the PDF form, instead, all the resources needed to get the exception approved will be available within LDP.
