

1. To search for a loan, click **Closed Loan** and select **Reporting** under the relevant section.

2. Enter the **Seller Loan Number**, the **Lakeview Loan Number**, or the borrower's last name and click **Search**.

The image shows a search form with a text input field containing the placeholder text "Search by Loan Number...". To the right of the input field are two radio buttons: "Loan Number" (which is selected) and "Last Name". To the right of the radio buttons is a blue button labeled "Search".
