FHA announced an optional broad production period for Uniform Appraisal Dataset (UAD) 3.6 on October 1, 2026, allowing FHA-approved mortgagees to begin submitting appraisals in the UAD 3.6 format for Title II forward mortgages and Home Equity Conversion Mortgage (HECM) programs (*not applicable to Lakeview*).

All appraisal submissions for a case number must use the same UAD format as the initial submission; multiple formats are not permitted.

Lakeview **will align** with this announcement where applicable.

- Lenders may continue delivering FHA loans with legacy UAD 2.6 appraisals until Lakeview communicates otherwise.
- By delivering a loan with a UAD 3.6 appraisal, the lender represents and warrants to Lakeview that the appraisal meets all applicable FHA guidelines.
- As a reminder, California Housing Finance Agency (CalHFA) will not accept any appraisals in the UAD 3.6 format at this time.

Please read the [FHA INFO Message](#) for complete details.
